MESSAGE:

Dear Prof. Lekkas.

Thank you for sending a review copy of the 7th International Conference on Environmental Science and Technology Vols. A,B,C for our study. We are pleased to announce that it meets our coverage guidelines and will be abstracted and indexed. If the 8th International Conference has been held and published, please send me the bibliographic information and the table-of-contents for it.

We look forward to sharing this title (the 7th) with the worldwide scientific/technical community for our mutual benefit.

Sincerely,

Elizabeth Snider
