2nd Announcement for the 7th Conference on Environmental Science and Technology

This International biennial Conference, seventh in a series (1989, 1991, 1993, 1995, 1997 and 1999 previous conferences) is organised by the Global Network for Environmental Science and Technology (GLOBAL NEST – G-NEST) and the Department of Environmental Studies of the University of the Aegean.

The aim of the Conference is to present results of research and innovated technologies related to environmental problems, which threaten the quality of life in our planet. In view of the success of the previous Conferences it is expected that the major part of the Greek environmental scientists and engineers as well as a large number of international participants specialising in environmental technology will take part in this event.

Conference Main Subjects

- Global environmental change
- Environmental economics - sustainable development
- Pollution control technologies
- Water resources management and water quality
- Liquid waste treatment and management
- Air quality - atmospheric pollution
- Solid waste management
- Environmental law - environmental policies
- Ecosystems management-ecology-ecological engineering
- Environmental performance of enterprises - Eco auditing
- Systems analysis and operations research in environmental management
- Environmental Pollution and Human Health

Conference Languages

The official conference languages are Greek and English.

Conference Venue

The 7th Conference on Environmental Science and Technology will take place at Hermoupolis Syros Island, at the Municipal Cultural Centre and the Municipal Theatre.

Participants are encouraged to give the opportunity to their wives/husbands and children to enjoy the beautiful beaches of the island of Syros.

Registration

To register, please fill in and send the attached registration form. The registration fee includes the Conference Proceedings, lunches, beverages, coffees and the official conference dinner.

Registration Fees :

	For payments till 31/07/01	For payments after 1/08/01
■ Authors	65.000 Drs (E 190)	70.000 Drs (E 205)
■ Participants	70.000 Drs (E 205)	75.000 Drs (E 220)
■ Students	35.000 Drs (E 100)	35.000 Drs (E 100)

Transportation

The air tickets to and from the Island of Syros should be booked long in advance i.e. July as the first week of September is a high touristic season. The boat tickets should also be booked in advance and if a car is taken to the island the return ferry ticket should be ensured. The airport is near to the town of Hermoupolis and one could use bus service, taxi or hire a car.

There are banking facilities in the town of Hermoupolis. Traveller's cheques and international credit cards are accepted in banks, most shops and restaurants.

Accommodation

Several types of accommodation can be arranged at varying prices.

Local tourist Office: tel. 0030-281-86725
